

SSIEM 2023 Speakers	Registration	About Israel
-------------------------------------	------------------------------	------------------------------

**Jerusalem is not just a city; it's a melting pot of history and culture.
Be a part of both at the SSIEM Symposium this August.
Register Now!**

Jerusalem Awaits You

Get ready to explore one of the most historically and culturally rich cities in the world at the 2023 SSIEM Symposium in Jerusalem! This symposium isn't just about expanding your knowledge and networking with colleagues in the field - it's a chance to experience a city that blends modernity with history, culture, and religion.

The ICC Jerusalem, a contemporary convention centre located in the heart of the city, will host the symposium, providing easy access to many of Jerusalem's top attractions. You can take a 15-minute walk and travel back 3,000 years to the ancient city, where you can visit iconic venues and some of the world's most significant historical sites.

Jerusalem is a western-accessible, fun city where you can shop to your heart's content, indulge in delicious local cuisine, and experience a vibrant nightlife and cultural scene. The city is known for its diversity and inclusivity, which means that there are endless opportunities to explore and experience.

Get ready to have a unique and unforgettable travel experience as you immerse yourself in the majestic city of Jerusalem. Don't forget to plan your time ahead, so you can make the most of this amazing opportunity!
