

## 2024 EQA scheme registration is open!

(14<sup>th</sup> September to 1<sup>st</sup> November 2023)

- The EQA scheme catalogue can be downloaded from the [EQA Schemes page](#) at [www.erndim.org](http://www.erndim.org)
- Current participants will receive an invitation to register for 2024
- If you are new to ERNDIM please contact [admin@erndim.org](mailto:admin@erndim.org) for details of how to register

## External Quality Assurance (EQA) schemes

- 17 EQA schemes developed & monitored by a Scientific Advisory Board comprising 22 leading scientists from 10 countries
- 2023  
411 participants  
in 60 countries

### Quantitative Schemes

- Acylcarnitines in serum
- Purines and pyrimidines (urine)
- Quantitative amino acids (serum)
- Quantitative organic acids (urine)
- Special assays in dried blood spots
- Special assays in serum
- Special assays in urine

### Hybrid Schemes (these schemes include quantitative and qualitative elements)

- Cystine in white blood cells
- Lysosomal enzymes (fibroblasts)
- Neurotransmitters in CSF
- Pterins in urine

### Qualitative Schemes

- Acylcarnitines (dried blood spots)
- Amino Acids Interpretation
- Congenital disorders of glycosylation (serum)
- Diagnostic proficiency testing (urine)
- Qualitative organic acids (urine)
- Urine mucopolysaccharides

A small number of **Laboratory Support Grants** are available to fund participation in ERNDIM's EQA schemes. For more information please contact [admin@erndim.org](mailto:admin@erndim.org)
